2020 Vision – The Librarian, The Publisher and The Technologist

Andrea Gilbey

The Three-Pronged Approach

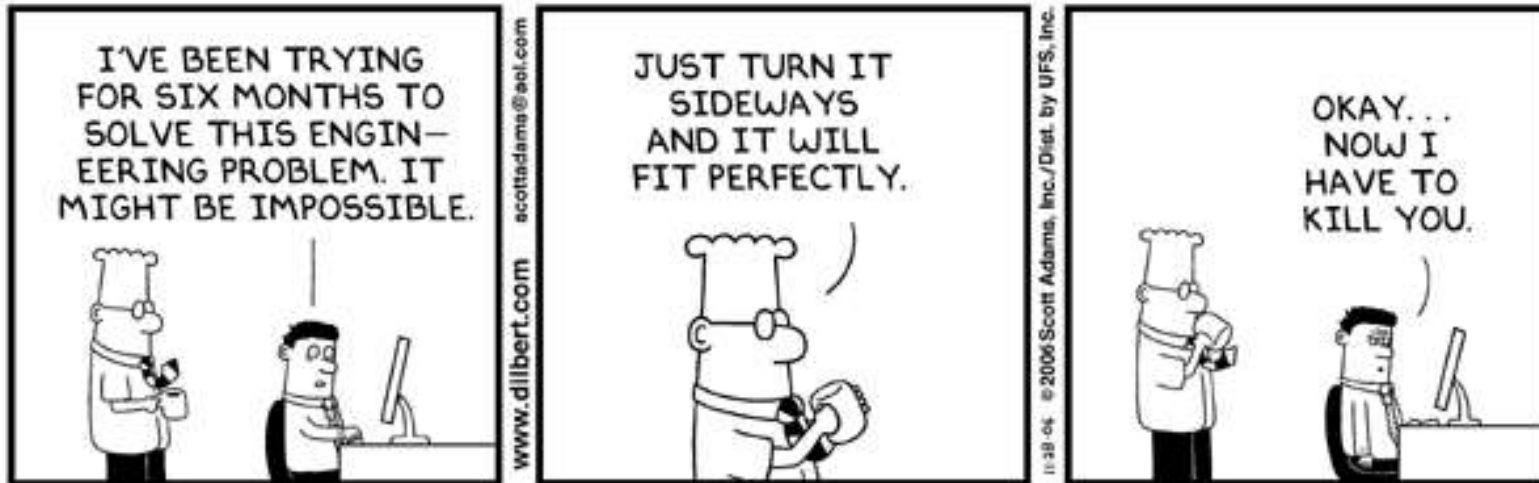

Josiah Wedgwood 1730 -1795

The World's Greatest Innovator

-
- Product innovation
 - Created value for both customers and employees
 - Made outstanding scientific contribution
 - A marketing genius
 - Created a dynamic regional industry
 - Positively influenced government policies
 - Brought a new approach to industrial design

COLLABORATION

'Technologists, publishers, librarians, authors, agents and business strategists are all working on the same set of problems just from different angles' (Palfrey 2015)

© Scott Adams, Inc./Dist. by UFS, Inc.

Common Goals

“Building strong relationships and collaborative partnerships with library, educational, government, cultural and professional organisations to add value. Facilitating access to high quality information resources which attract, support and retain world-class researchers”

University of Tasmania Library

“To further the objective of excellence in research, scholarship, and education”
