### Carpet

Charcoal carpet will be laid in stands and aisles.

### Walls

The walls of the Frontrunner booths consist of mascot grey Velcro compatible panels.

### Fascia

The fascia consists of a white corflute panel insert 220mm high supported in an aluminium frame. Fascias will be provided for all open sides of shell scheme stands. The clear height under the fascia is 2100mm.

### Company Sign

The company sign will be printed in yellow computer cut vinyl 100mm high using upper and lower case lettering - maximum of 30 letters. One company sign will be provided per stand with corner stands to receive two.

### Spotlights

Spotlights will be track mounted and fitted to the back of the fascia of all stands. Lighting will be installed on a ratio of two (2) 70 watt halide Enviro Lights per 9sqm.

### Power

A 4amp power outlet will be connected to stands on a ratio of one per 9sqm.

**All signage and orders must be submitted to Harry the Hirer prior to 11<sup>th</sup> January 2010**
