

MAKE YOUR CASE TO ATTEND VALA2020

“The leading library technology conference and exhibition in our region.”

Over 3 inspiring days, **VALA2020** curates and presents the best contributors to our digital future.

VALA2020 Program Highlights include:

- **Plenary** – inspiring, provocative, leading edge – the VALA2020 Plenary Stage hosts 6 must-see keynote speakers, plus our Industry Roundtable addressing the burning issues for the sector.
- **Concurrent Sessions** – merit-based, peer-reviewed, diverse and different – 15 sessions, 1110 minutes of learning, sharing, challenging, affirming.
- **Critical Conversations** – new at VALA2020, interactive and in-depth discussions about key issues and emerging trends in our sector.
- **Speakers Corner** – another new presentation format at VALA2020, featuring short, sharp and lively debates on the emerging and burning issues facing the industry.
- **EPosters** – the best of current research projects, meet the presenters in one-to-one and one-to-many conversations.
- **Exhibition Hall** – meet face to face with the international vendor community in exhibition booths and pods, offering trials, new products, displays, presentations, meetings and rewards.

Who Should Attend?
